***Make the most of your investment!***

You too can be like the following Sponsors:

- ◆ **Fremont County**— In 2014, realized a **\$79 return** for every dollar invested in their sponsorship. They received \$350,000 in grants addressing community wildfire risk, and treating noxious weeds.
- ◆ **The Moore Community Association**— in 2014 realized a **\$51 return** for every dollar invested in their sponsorship. They received \$40,500 in grants to build a community center.

While these sponsors are exceptional, we believe that each and **every sponsor should receive at least a \$10: \$1 return** on your sponsorship investment!

***So Get Started!***

**For High Country Sponsors**

**Get the most out of your sponsorship!**

**Look inside to find out how!**

## Did You Know ?

As a Sponsor of High Country Resource Conservation and Development (RC&D) Area, Inc. **you are a member** of a non-profit organization that:

- ◆ Has over 30 years of experience in helping get community and natural resource projects on the ground?
- ◆ Can help you leverage your project funds with private foundation funding to help you get projects out of the planning phase and on-the-ground?
- ◆ Has the know-how to and can help you manage federal grants?
- ◆ Can write grants for you, as a sponsor, at reduced rates?

Collecting beetles to fight leafy spurge

### *You can request the following services from High Country:*

- ◆ **Our expertise—Project Technical Assistance:**
  - \*planning
  - \*funding searches
  - \*grant writing
  - \*grant/project fiscal management
  - \*coordination and facilitation services
- ◆ **Notification of grant opportunities**
